

## “a home from home environment for every child”

The aim of Jumping Jack's Day Nursery is to provide a home-from-home environment for every child, working together with the parent/carer to develop the individual needs of their child. We welcome every child into a happy, stable, safe and secure environment. The nursery encourages positive relationships between staff and parents/carers to ensure the nursery provides the best possible care for their child. We wish to give parents/carers confidence in us and the work that we do.

Jumping Jack's Day Nursery is an independent day nursery situated in the grounds of Hurstmere Secondary School in Sidcup and is currently registered for 31 children. The nursery is divided into the following 3 rooms:

Squirrel's: 3 months-2 years; Hedgehog's: 2 years-3 years; Badger's: 3 years-5 years

The nursery along with the excellent gardens, provide ideal space and facilities for a happy and safe learning environment.

Jumping Jack's Day Nursery was set up by Natasha Lyons, along with her mother Linda Ball in July 2009. Natasha and Linda have lots of valuable and varied experience in working with children. Natasha qualified when she was eighteen years old and now has over thirteen years' experience working in the childcare industry. Natasha started a family in 2004 and now has two lovely children of her own.

Natasha and Linda opened their first nursery, The Hospital Day Nursery in April 2004, which is situated in the grounds of Queen Mary's Hospital, Sidcup.

Natasha oversees the running of both nurseries and has two fantastic managers in place who organise the nurseries on a day to day basis. Natasha and the Nursery Managers have an excellent team behind them, who together provides professional quality childcare for children aged 3 months-5 years.

Both nurseries are registered and inspected by Ofsted and were rewarded with the grade 'good'. Ofsted reports can be found on the Ofsted website [www.ofsted.co.uk](http://www.ofsted.co.uk).
